- x Provide guidance to individual members, helping them to understand their leadership roles
- x Assist in setting goals and objectives for the organization
- x Provide continuity for the organization from year to year
- x Become familiar with University policies and procedures, serving as a resource for students
- x Attend workshops and training through Student Development and Campus Activities as necessary

The following is intended to clarify the role of advisor by providing both the organization and the advisor the opportunity to decide the extent to which the advisor will be involved with the organization

Directions: The advisor and each officer should respond to the following items, and then meet to compare answers and discuss any differences. For any items that are determined not to be the responsibility of the advisor, it will be valuable to clarify
